SH Servers, Stands & Docking System

Features

Remote Docking Station

- Remote one and two server docking stations for additional satellite coffee serving.

SH Server

- Soft Heat® servers supply controlled heat to coffee to maintain flavor and temperature.
- LED power indicator shows server is operational and may also serve as freshness alert on some models.
- Docking stations have instant power contact with servers.
- Safety-Fresh® patented brew-through lid with vapor seal and spill prevention.
