GAS SAFETY PRECAUTIONS

DANGER

Gas is safe when used properly, but can be very dangerous when used improperly. We suggest that installation be carefully made by qualified personnel only. Gas companies have competent service personnel to provide safe installation.

DANGER

Hot oil is dangerous—severe burns can result when hot oil contacts the skin. Hot oil is flammable—keep open flames away from hot oil and its vapors. Install a fire extinguisher near the fryer. Instruct personnel on what to do if there is a grease fire. **DO NOT USE WATER ON A GREASE FIRE!** Use only fire extinguishers of the approved type on the grease fire.

DANGER

Do not use a match or flame to check for leaks - you may cause a fire or explosion!

WARNING

Do NOT store or use gasoline or other flammable vapors and liquids in the vicinity of this or any other appliance.

WARNING

Instructions on what to do when a user smells gas can be obtained from the local gas supplier. These instructions must be posted in a prominent location where the unit is to be operated.

WARNING

Any alterations to this equipment will void the warranty and may cause a dangerous situation. **NEVER** make alterations to the equipment.

CAUTION

This machine is NOT to be operated by minors. Minors are classified as anyone under the age of 18.

NOTE

The information, specifications and illustrations contained in this manual represent the latest data available at time of publication. Right is reserved to make changes as required at the discretion of Gold Medal Products Company without notice.

GAS MODEL SPECIAL INSTRUCTIONS

When installing your new gas Kettle Korn Stove, obey local codes or, in the absence of local codes, obey the National Fuel Gas Code, ANSI Z223.1-1992, or latest edition.

	⚠ DANGER
	Gas is safe when used properly, but dangerous when used improperly. We suggest that installation be made by qualified personnel only. Gas companies have competent service personnel to provide safe installation.

When selecting a non-combustible location for your gas Kettle Korn stove, pay close attention to the installation clearances. These clearances are shown on the nameplate.

The appliance and its individual shutoff valve must be disconnected from the gas supply piping during pressure testing of the system in excess of 1/2 psig (3.45 kPa).

After installation, all gas connections must be checked for leaks with a soap solution.

	⚠ CAUTION
	Be sure to provide adequate air supply and adequate clearance for air openings into the combustion chamber. Be sure to provide adequate clearance for servicing and proper installation.

	⚠ DANGER
	Do not use a match or a flame to check for leaks. You may cause fire or explosion!

TYPES OF GAS

The nameplate is marked at the factory to indicate the type of gas your stove uses. If necessary, the stove can be altered to switch fuels, but we suggest only qualified personnel do this work.

ALTITUDE RANGE

The factory has sized the burner orifices for an elevation up to 2000 feet above sea level. For high altitude operation, contact Gold Medal Customer Service Department.

GAS PRESSURE

We recommend 10 inches of water column (6 oz/sq in) for propane and 4 inches of water column (2 oz/sq in) for natural gas. The pressure is measured at the stove while the main burner is ignited. A pressure regulator is supplied to deliver optimum pressure for both types of gas when the stove is changed from the original factory specification. Be sure to use properly sized pipe to supply needed pressure.

LIGHTING AND SHUT-DOWN INSTRUCTIONS

1. Turn the gas safety valve to the "PILOT" position.
2. Light chicken stick with match and apply flame to pilot.
3. To light main burner, turn gas safety valve to "LIGHT" position.
4. To extinguish both main burner flame and pilot flame turn the gas safety valve to the "OFF" position.

MAINTENANCE INSTRUCTIONS

	⚠ CAUTION
	THE FOLLOWING SECTIONS OF THIS MANUAL ARE INTENDED ONLY FOR QUALIFIED SERVICE PERSONNEL WHO ARE FAMILIAR WITH GAS FIRED EQUIPMENT. THESE ARE NOT INTENDED FOR THE OPERATOR.
	⚠ WARNING
	Adequate eye protection must be used when servicing this equipment to prevent the possibility of injury.

ORDERING SPARE PARTS

1. Identify the needed part by checking it against the photos, illustrations, and/or the parts list.
2. When ordering, please include part number, part name, and quantity needed.
3. Please include your model name and machine serial number (located on the machine nameplate) with your order.
4. Address all parts orders to:

Parts Department
Gold Medal Products Co.
10700 Medallion Drive
Cincinnati, Ohio 45241-4807

or, place orders at:

GAS STOVE ASSEMBLY

MODEL #2080BGK

(Some items shown may not be used)

PARTS LIST - GAS STOVES (not shown)

MODEL #2080BGK

Item No.	Part No.	Description
1	33003	Leg, 17" Long
2	32013	Close Nipple, $\frac{3}{8}$ " x 1"
n/s	27010	$\frac{1}{4}$ " OD Aluminum Tubing
n/s	29999	Burner Gas
n/s	33009	Nipple, $\frac{3}{8}$ " NPT x 7" Lg .
9	33012	Legs Mount Casting
n/s	33026	Hex Locknut, $\frac{1}{4}$ " NPT
n/s	2093	Wooden Mixing Paddle
10	57030	Thermocouple
12	74027	Gas Safety Valve
13	74029	Pilot Orifice, .011 LP
14	74115	Pressure Regulator, NG & LP
17	74125	Set Screw, $\frac{1}{4}$ -20 x $\frac{3}{8}$ "
n/s	74575	Tag, Warning LP Gas

WARRANTY

WE WARRANT to the original purchaser the Gold Medal equipment sold by us to be free from defects in material or workmanship under normal use and service. Our obligation under this warranty shall be limited to the repair or replacement of any defective part for a period of six (6) months from the date of sale to the Original Purchaser with regard to labor and two (2) years with regard to parts and does not cover damage to the equipment caused by accident, alteration, improper use, voltage, abuse, or failure to follow instructions.

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES EXPRESSED OR IMPLIED, AND OF ALL OTHER OBLIGATIONS OR LIABILITIES ON OUR PART, INCLUDING THE IMPLIED WARRANTY OF MERCHANTABILITY. THERE ARE NO WARRANTIES WHICH EXTEND BEYOND THE DESCRIPTION ON THE FACE HEREOF. We neither assume, nor authorize any other person to assume for us, any other obligation or liability in connection with the sale of said GOLD MEDAL equipment or any part thereof.

The term "Original Purchaser" as used in this warranty shall be deemed to mean that person, firm, association, or corporation who was billed by the GOLD MEDAL PRODUCTS COMPANY, or their authorized distributor, for the equipment.

THIS WARRANTY HAS NO EFFECT AND IS VOID UNLESS THE ORIGINAL PURCHASER FIRST CALLS GOLD MEDAL PRODUCTS COMPANY AT 1-800-428-2676 TO DISCUSS WITH OUR SERVICE REPRESENTATIVE THE EQUIPMENT PROBLEM, AND, IF NECESSARY, FOR INSTRUCTIONS CONCERNING THE REPAIR OR REPLACEMENT OF PARTS.

NOTE: This equipment is manufactured and sold for commercial use only.
