

Classic Floss 5 Cotton Candy Machine

Our easy-to-use CLASSIC FLOSS 5 machine has a complete new head design that produces cotton candy continuously and smoothly.

Classic Floss 5 with aluminum bowl

Roll-Top Bubble

Customers say our design is superior. Durable polyester (PETG) for high impact resistance. Clear visibility. Sliding roll door for easy access when making floss and full protection when sitting idle. Fits 25" - 26" diameter bowls.

Roll-Top Bubble

New High-Performance Head

will not clog like ordinary ribbon style heating elements. All metal design gives your superior durability over those using plastic parts.

Heavy-Duty Motor

(1/12 horsepower) operates at 3400 RPM for fast cotton candy delivery. The motor is completely shielded from sugar to extend its life and allow easy clean-up.

Professional Controls gives the operator the flexibility to make perfect cotton candy under any conditions.

Heavy-Duty 16 Gauge

Aluminized Cabinet has the durability to hold up in a commercial setting.

Cotton Candy Carts

All metal design, custom fit for Paragon machines.

Rolling Stand

Spoke-Wheel Cart

Three-year Warranty Program - All of our machines are covered with a three-year warranty - the best in the business.
